Dear Parent

With joy and pride, I present the spring edition of the newsletter URJA for the AY 2022-23.

Everything that starts ends too and as we wind up the session, I would like to share with you glimpses of the plethora of activities conducted in school. This has been a session dedicated to activities and joyful learning. As we attempted to instill starry dreams in young minds, conscious efforts were made to build scientific temperament in the students. The hard work of the teachers and the support of the parents have been unstinted in the journey.

I, on behalf of the school management convey my heartfelt gratitude to all.

Happy Reading!
